APANY CONNECTIONS

OUR COMMUNITY. OUR HERITAGE. OUR FUTURE.

INAUGURAL ISSUE **OCTOBER 2026**

Anguillan roots. Connections that last.

Dear APANY Family and Friends,

Whether Anguilla is where you were born, where your family story began, or a place you have come to love, you belong in this conversation.

Welcome to the first issue of APANY Connections, a new way to stay informed about our work, celebrate our heritage, and discover opportunities to contribute.

Since 1996, APANY has brought Anguillans and friends of Anguilla together in service. We'll share community news, upcoming events, project updates, and the people helping move our mission forward.

A LEGACY BEYOND GALA NIGHT

Investing in Anguilla's next generation

With a $100,000 campaign goal, the APANY Diamond Jubilee Scholarship Fund aims to expand higher-education opportunities for eligible Anguillan students and reduce financial barriers to their ambitions.

Support will help address tuition, textbooks, course equipment, and on-campus housing and meal plans. Individuals, families, businesses, and community organizations are invited to help build this legacy.

Interested in Gala sponsorship? November 30, 2026, is the priority deadline for early sponsor commitments. Explore sponsorship opportunities:
